5. **Our Services** - The Coach will guide the Student's process of self-discovery based on interview, testing, prior academic record, and any other input provided by the Student. The Coach will assist the Student in developing an optimal positioning and communication strategy. The Coach will brainstorm with the Student a list of potential schools based on the Student's indicated interests and the BCP Evaluator™. The Coach will assist the Student in developing a strategy for applying to potential schools. The Coach will provide direction on researching schools and programs.

The Coach will brainstorm with the Student on topics for essays and short form answers, and will help develop the story line of the essays. After the Student prepares drafts of the essays, the Coach will help edit grammar, spelling and elements of style. It is essential that the Student draft and redraft the essays himself so that the essays represent the Student's own "voice." The Coach will assist the Student with the preparation of an activities resume based upon the Student's initial draft. The Coach will assist the Student with selection of recommenders and preparation of a cover letter to recommenders based upon the Student's initial draft.

6. **What We Expect of You** - The Responsible Party is the parent or legal guardian of the Student. The Responsible Party and the Student will disclose to the Coach the Student's academic record and psychological history, the Student's expected collegiate course of study and career interests and the colleges to which the Student intends to apply.

The Student will prepare for each session and will complete assignments given by the Coach promptly and thoroughly. The Student will take responsibility for researching schools and programs as directed by the Coach. The Student will bring copies of necessary materials to the sessions as requested by the Coach. If the Student does not properly prepare, the Responsible Party agrees to pay for extra coaching sessions beyond those included in the Package at a rate of \$150/first hour, \$50/second hour within the same session.

The Responsible Party agrees to attend sessions with the Student if so requested by the Coach.

7. **Certain Limitations** - The services provided by the Coach are **strictly advisory**. If requested, the Coach will make suggestions regarding schools and may refer the Student to resources about a particular school, if known to the Coach. The Student and the Responsible Party will select the school to which application will be made and which school the Student will attend from among those which offer the Student admission. The Coach will not contact the Student's current school or any other party to discuss the Student's application process or academic record. The Coach will not contact any school on behalf of the Student for any purpose whatsoever.

8. **Your Responsibilities** - It shall be the responsibility of the Parent and/or the Student to secure academic and personal recommendations; register and pay for necessary standardized tests; arrange for the transmission of test scores to colleges; complete, finalize, pay for and timely mail all applications and the applications for financial aid; monitor the status of all applications, college visits, interviews and financial aid materials; and notify colleges of the Student's enrollment decisions. The parties agree that the Coach is not responsible for any of these items.

9. **We Cannot Guarantee Acceptance** - The Responsible Party and the Student understand that the application process is complex and uncertain, and that the decision to accept or reject an applicant is in the control of the school and not within the control of the Coach. **The Coach does not guarantee acceptance into any school.**

10. **Miscellaneous** - This Agreement shall not be transferred or assigned by either party. This Agreement shall be governed by the laws of the State of New Jersey.
